

Looking for
an affordable,
custom-branded
LMS?

Look to **e-Ztrain**
Learning Management System from VantEdge

VantEdge, through our E-Z Train™ learning system, can provide your company with a full-featured Learning Management System (LMS) for a fraction of the cost of other systems. Best of all, this exceptionally robust LMS can be completely branded to your company's own identity and contains in-depth reporting functions, individual user dashboards, easy-to-use administrative tools, and much more.

Full Featured Learning Management System

- Easy-to-use admin tools
- Manage training events
- Individual user dashboard
- User profile personalization
- Multi-language capability
- Flexible course management
- eCommerce ready
- Mobile compatible
